401(k) Leader Among Top Forty Advisors

401(k) Advisors- Arizona managing director, John L. Scott, in Top Forty Advisors in the U.S.

PHOENIX, AZ (PR WEB) June 4, 2010 -- 401(k) Advisors – Arizona announced managing director John L. Scott has been named one of the Top Forty Advisors in the country by 401(k) Wire. The publication recognized Scott as an industry leader and one of the Most Influential Advisors in Defined Contribution in the country. Scott was honored from a field of more than 3,000 advisor nominees and formally recognized at the Influencers' Summit in New York this past spring.

"This is a great honor," said Scott. "We are proud to have helped hundreds of companies and their participants find effective solutions for their retirement benefit plans. Sound 401(k) decisions can result in positive impacts for companies and their employee's future. At the end of the day, it's about successful retirement outcomes for our clients and their employees."

Scott is an expert in plan consulting, ERISA compliance, investment due diligence, vendor and fee benchmarking, plan participation and employee communications. An industry leader for nearly thirty years, he is an Accredited Investment Fiduciary (AIF) through the Center for Fiduciary Studies, a PlanSponsor Retirement Professional (SM) through the PlanSponsor Institute (SM), a Registered Investment Advisor and a member of the 401(k) Coach Program. Scott is a highly sought-after moderator and panelist for industry sponsored programs dealing with all aspects of retirement plan advisement, from fiduciary responsibilities to industry best practices.

About 401(k) Advisors – Arizona (www.401kadvisorsarizona.com)
401(k) Advisors – Arizona is part of 401(k) Advisors, a qualified retirement plan consulting company whose services help protect plan fiduciaries from personal and corporate financial liability, while enhancing investment opportunities for plan participants. As fiduciaries, the 401(k) Advisors team maximizes retirement plan outcomes by increasing investment performance, reducing plan expenses, improving plan efficiency, and helping sponsors to meet ERISA compliance requirements.
